

Tammy Scarborough

President, Taylor, Trenton and Wayne

Beaumont

Tammy Scarborough is president of the Taylor, Trenton and Wayne acute care campuses of Beaumont Health, Michigan's largest health system, based on inpatient admissions and net patient revenue. She is responsible for all strategy development, daily operations and financial performance of the three campuses serving Beaumont's southernmost Wayne County communities.

Scarborough came to Beaumont in February 2020 from Summa Health, where she served as president of ambulatory care and clinical service lines, responsible for finance, operations, growth and strategic planning for Summa's ambulatory operations, inpatient and outpatient clinical services and all ancillaries. Prior to this role, she was the system senior vice president of ambulatory care and chief operating officer of Summa Health Medical Group. She has served in leadership positions at Akron Children's Hospital, University of Toledo Physicians and DePaul University.

Scarborough graduated magna cum laude from Northern Kentucky University and received an MBA with distinction from DePaul University in Chicago. She has worked in a variety of industries in financial and operational roles in both the corporate and non-profit sectors for more than 25 years.

Beaumont Health is Michigan's largest health care system and is most preferred for health care in Southeast Michigan, according to NRC Health survey data. The not-for-profit organization was created to provide patients with greater access to compassionate, extraordinary care every day. Beaumont has a total annual net patient revenue of \$4.7 billion and consists of eight hospitals with 3,429 beds, 145 outpatient sites, nearly 5,000 affiliated physicians and 38,000 employees, including 11,000 nurses. 3,500 volunteers help support the organization. In 2018, Beaumont had about 178,000 inpatient discharges, 18,000 births and 573,000 emergency visits. For more information, visit beaumont.org.
